QUANTUM RACING GUEST PROGRAM

The Quantum Racing team extends a warm welcome to Quantum affiliates and customers!

In 2014, the 52 Super Series begins in the USA with events in Key West and Miami. Owner Doug DeVos was at the helm in Key West, leading the team to victory, and will again join the team in Porto Cervo for the TP52 World Championship. The guest program is available for the following events:

- **52 US Championship**, Miami, March 5-9
- **Rolex Capri Sailing Week**, Capri, Italy, May 20-24
- **Copa Del Rey**, Palma de Mallorca, Spain, August 4-9
- **Royal Cup Marina Ibiza**, Ibiza, Spain, September 17-21

Spectator Opportunity: Chase Boat

Affiliates may request to have 1 day (2 people) *per event*, on the chase boat.

Please note the following regarding the chase boat:

- This is an **all-day commitment**; the chase boat leaves the dock with the race yacht and stays in the racing area until no further assistance may be needed (after racing). The priority of the chase boat is to support the race yacht; carrying spectators is incidental.
- Dress appropriately. The temperature is usually cooler on the water, and sea conditions can be rough. There is a potential to get wet, even on a clear day. There is limited sheltered seating available.
- If you become sea-sick, we cannot return you to the dock.
- Please stay clear during transfer maneuvers.
- Please arrive at least 30 minutes before scheduled dock-out time. We cannot delay for late arrivals.

Onboard Guest Program

Each yacht is required to have one onboard guest as part of the racing crew. Affiliates may request 1 day (1 person) *for the season* for this very special opportunity. Space is very limited; first come, first serve.

Please note the following regarding the Onboard Guest Program:

- Please dress appropriately to go yacht racing. This is usually an **all-day commitment**. Depending on conditions, the chase boat may transfer Guests for each race, or a Guest may be onboard the entire day. There are typically 2-3 races per day.
- Sailing experience is helpful. Maneuvers can happen quickly, testing balance and agility.
- Please bring appropriate clothing and shoes.
- Life preserver will be supplied by Quantum Racing.
- The Guest sits at the stern, and must stay aft of the traveler during racing.
- **The Guest is allowed to hike (legs outboard). This is an important contribution to the team. Please be physically prepared.**
- Other than hiking, the Guest is not allowed to assist the crew in any way, physically or verbally.
- Please arrive at least 30 minutes before scheduled dock out time. Dock out time will be communicated (in person, email, text, phone call) to the Guest the night before the onboard day.
- If a situation arises such that the Guest cannot attend, please let us know immediately by calling Libby Tomlinson +1 231 313 8898, or Ed Reynolds +1 616 350 1810

Pre-Regatta Training Days

The Quantum Racing team arrives a few days prior to the start of each event for on-the-water training. We can accommodate limited requests for Chase Boat and Onboard Guests during these days.

We hope to see many Affiliates and their customers take advantage of the opportunity to join us at the 52 Super Series! Please see the schedule on the following page.

Please submit requests to Libby Tomlinson ltomlinson@quantumsails.com, and include the following Guest information:

- Date requested
- Name(s)
- Nationality
- Passport/ID number(s)

All requests will be considered on a first-come, first-serve basis. Confirmations will be issued only when the above information is received in full.
