WHY CHOOSE QUANTUM?

THE QUANTUM<sup>®</sup> EXPERIENCE

At Quantum, our mission is simple: to add more fun and enjoyment to the sailing experience. To accomplish this, we build the very best sails possible with every detail of the design and construction process executed to the highest standard. You may be able to find a woven polyester (Dacron<sup>®</sup>) cruising sail for less, but you won't find one that delivers the same level of quality, performance, satisfaction, or pride of ownership. Just as important, is the high level of expertise, support and service that is the foundation of the Quantum<sup>®</sup> Experience, providing you with a trusted resource and partner for all your sail needs.

▶ EXPERT CONSULTATION

To guide you through choices of materials, hardware, sizing, etc.

▶ DETAILED, ON-BOARD MEASUREMENT

To ensure a perfect, custom fit.

▶ COLLABORATION

Your involvement throughout the process, so you know what you are getting and why.

▶ SAIL INSTALLATION AND INSTRUCTION

To fit, fine-tune, and instruct you in use and care.

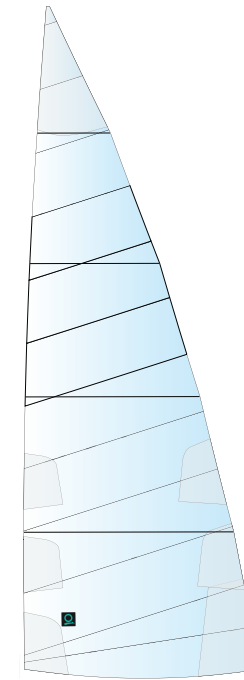

▶ WARRANTY

Simply the best in the business, backed by sailing and service experts located around the globe.

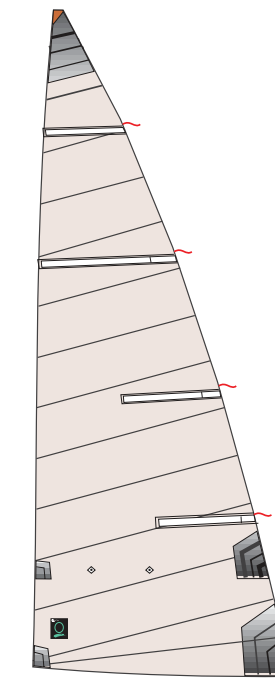

▶ LONG-TERM SERVICE

Professional, certified technicians at more than 50 locations to care for your sails and help you get the most out of your investment.

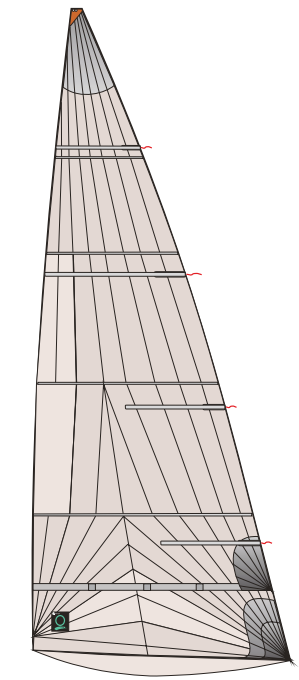

Ultimately, we provide the cruising sailor something no other sail maker does: the same level of attention, technology, engineering expertise, and service, which most sail makers provide only to their racing clients.
